

1003(a) Grant Opportunity for Indiana's School Improvement Plan (INSIP)

The Indiana Department of Education (IDOE) is pleased to offer a comprehensive school improvement plan for the 2015-2016 school year. This solution utilizes a state-of-the-art system which allows for multiple required plans (PL221, Title I Schoolwide, and Student Achievement Plan) to be combined into one plan to reduce redundancy, provide clarity, and streamline support. The solution provides schools with an online platform to track progress against goals, seamlessly manage documents, and enhance their school improvement efforts.

Title I Focus and Priority schools will receive \$5,000 in grant funding to participate in the Indiana School Improvement Plan (INSIP). This grant will require the school to submit the INSIP through the ASSIST template by March 1st, 2016.

The ASSIST piece will be a total cost of: \$1,500 and will be a 12 month license including unlimited access to:

- Administer valid and reliable stakeholder surveys
- Conduct a needs assessment, including various proven diagnostic tools
- Develop and submit a streamlined INSIP that meets PL221, Title I and Priority School requirements as defined by IDOE
- Track plan implementation and progress
- Online training tools and resources for the purpose of conducting a quality Internal Review and developing a quality improvement plan, including a live webinar recording on the completion and submission of the INSIP
- Customer service and technical assistance on the use of ASSIST™

The additional \$3,500 the school is receiving will be used at their discretion for school improvement purposes. Below are suggested options. Please select which options the school will choose:

Select Option(s) that equal \$3,500	Description:	Cost:
eleot™	12 month eleot license including three (3) registrations for the online eleot™ training and certification course. <ul style="list-style-type: none"> • Use this intuitive and easy-to-use tool to measure and quantify student engagement from the perspective of the student. Easily identify strengths, weakness and trends over time with powerful and reliable results. Learn more at: www.advanc-ed.org/eProveeleot	\$400/ license
eleot™ Training Registrations	Additional registrations can be purchased for the online eleot training and certification course. <ul style="list-style-type: none"> • Ensure validity and reliability of observation results by having all eleot 	\$75/ registration

	<p>observers trained and certified through the asynchronous online training course. Build educator capacity to improve student learning through a practical understanding and application of the best practices provided via the eleot training and certification course.</p> <p>Learn more at: www.advanc-ed.org/eProveeleot</p> <p>NOTE: eleot training and certification can be obtained at no cost by participating on an AdvancED External Review Team. Contact the AdvancED Indiana Office to learn more Indiana-Operations-Office@advanc-ed.org or 800.468.7405.</p>	
Improvement Consulting Services	<p>Up to 16 hours of consulting services to support the identification of improvement priorities and development of a school improvement plan. These services will be tailored to meet the specific needs of the school. Examples of these services include:</p> <ul style="list-style-type: none"> • Forming a sustainable school improvement team with the “right” skills and abilities to facilitate a meaningful internal review and improvement process • Completing the AdvancED diagnostic tools and interpreting results • Identifying relevant evidence as part of the Internal Review process • Working with school leadership to ensure results of the Internal Review process are honest and insightful • Interpreting and analyzing data during the Internal Review process. • Interpreting and using eleot results to drive student engagement and improved student outcomes 	<p>4 hrs. = \$1,600</p> <p>8 hrs. = \$3,000</p>
Diagnostic Review	<p>A diagnostic-based Internal Review process is coupled with a comprehensive External Review to examine the extent to which a school has enacted the effective policies, practices, conditions and culture needed to maximize learner success. As a result, the school has evidence-based Improvement Priorities and a clear road map to stimulate and sustain dramatic improvement.</p> <p>Learn more at: http://www.advanc-ed.org/services/diagnostic-reviews.</p>	<p><1,000 student enrollment = \$8,500</p> <p>>1,000 student enrollment = \$10,000</p>
Other School Improvement Strategies	<p><i>A narrative should be provided on how additional funds (\$3,500) will be used towards school improvement.</i></p>	<p>\$3,500</p>
